

# Phone Lister

## Phone Lister Manager

Phone Lister is an application for managing phone lists. Phone Lister is ideal for companies wishing to move beyond their existing labor intensive low-tech phone list management.

### What's New in Phone Lister

#### **v4.00 released 2007-12-28**

- Added feature to find closest name in user list on pressing keys.
- Added phone list with pictures.
- Added site filter on report screen.
- Added option to change the reports folder location.
- Added CSV import wizard.
- Added hint showing list details when pointing at phone list record.
- Added Home Phone, Supervisor, Spouse Name and Birth Date fields to PhList table.
- Added feature to send emails to people in list.
- Added default user fields on new install.
- Fixed problem where user terms reset after closing admin screen.
- Made more Vista friendly.
- Upgraded reporting engine and database engine.

### Benefits/Features of Phone Lister

- ❖ Save time by using a sophisticated phone list database instead of a simple Word document or spreadsheet.
- ❖ Build your own reports to suit your needs.
- ❖ Highly configurable.
- ❖ Share your company data with other applications.
- ❖ Can be used with multiple users on your network.
- ❖ Multi-language capabilities
- ❖ HTML reports builder.
- ❖ Runs on Windows 95, 98, ME, NT 4.0, 2000, XP and Vista.

## About CyberMatrix Corporation

CyberMatrix is a Calgary-based software company. Starting in May 1993 as CyberMatrix Computing, we focused mainly on computer consulting and some of our own commercial software development. In February 1998, the company was incorporated and began operating under the name CyberMatrix Corporation, Inc.

At CyberMatrix, we are committed to meeting the needs of businesses with quality software and dedicated customer support. We know that in order to succeed, the customer must always come first and foremost. We are always open to suggested improvements to our software and strongly encourage feedback.

Currently, our company's main focus is developing and selling quality business software. However, we can also perform customizations of our existing software for those customers with special needs. We can even develop specialized applications for interested companies.

We count among our customers fortune 500 companies, various government agencies and several respected Universities. We invite you to become one of our many satisfied customers too. For more information and a list of our products, visit our website at
